## **Directions to Midway College**

Coming from Lawrenceburg/Versailles: Take the Bluegrass Parkway to the Versailles exit. Turn towards Versailles. Follow this road through Main Street until you reach US 60 (over the railroad tracks, past Woodford Co. HS.) Turn left onto 60. At the next stoplight, turn right onto US 62. Continue on this road until you are in Midway. After passing the Midway Apartments, it will be about two streets before you reach E. Stephens St. There will be a blue sign on the left hand side of the road. Turn right onto E. Stephens St. After this turn, you can't miss the campus.

Coming from Lexington/Frankfort: take I64 to the Midway exit (#65). Turn towards the Chevron gas station from the off ramp. This will take you to a T-junction at 421 (Leestown Road). Turn right onto 421, going towards Frankfort. After passing the Chevron gas station, take the first left onto 62. This will take you through Midway (over the railroad tracks and through the stoplight.) Take the third left after the stoplight onto East Stephens St. After this turn, you can't miss the campus.

Coming from Georgetown: take US 62 towards Midway and Versailles. At the T-junction with 421 (Leestown Road, has the blinking stoplight) turn right towards Frankfort. Take 421 until you pass the Chevron gas station (right near the junction with I64.) After passing the Chevron gas station, take the first left onto US62. This will take you through Midway (over the railroad tracks and through the stoplight.) Take the third left after the stoplight onto East Stephens St. After this turn, you can't miss the campus.

On campus for MBA Workshop at Learning Resource Center: Turn left over the stone bridge and after you cross the bridge continue turning left right. You will find yourself in a circular parking area – please feel free to park in any of the unreserved spaces. As you look down the campus (with your back to the parking area), the Learning Resource Center will be the second building on your right. Enter the main double doors in front. The Lecture Hall is on the main floor, on the opposite side of the building from where you enter.
