

## Title IV Funds Authorization

### Allow Your Financial Aid to Pay Other Account Charges

*Title IV funds are federal financial aid funds you may receive, such as the Pell Grant, SEOG, TEACH Grant, Federal Work Study, Direct Loans for students and Direct PLUS Loans for students and parents. This form covers all Title IV funds you may receive, as well as all other types of state, institutional or external financial aid.*

Financial aid funds received by Midway University are applied to your student account only to cover tuition, fees and — if you live on campus — housing and meals. With your authorization, financial aid can be used to cover other charges you may incur as a student. Examples of other charges include (but are not limited to) parking permits, late fees, book vouchers, library fines, graduation fees, testing fees and athletic fees. Without this authorization, you are liable for paying all other charges out of your own pocket.

You also may authorize use of your financial aid to cover prior term charges within the current year if an unpaid balance exists. Charges from a previous award year may be covered with up to \$200 of current year aid.

This authorization form is valid for your entire period of enrollment at Midway University, so you do not need to complete a new form each term. However, you may rescind or change your election on this form at any time by contacting the Business Office or the Financial Aid Office.
