Commencement Ceremony

2024

Mission Statement

Midway University invests in our students, engaging them in personalized learning experiences and preparing them for fulfilling careers. (Adopted May 11, 2023)

Values

Midway University fosters core values shared by the Christian Church (Disciples of Christ) and reflect the beliefs of our founder, Dr. L.L. Pinkerton.

These values include:

- Valuing the dignity of all people
- Acting with integrity and responsibility
- Viewing self as part of the community
- Living life within a global context
- Providing service to others
- Pursuing life-long learning

Vision Statement

Midway University is an innovative, vibrant, and welcoming institution, committed to excellence.

Ceremony Etiquette

It is the University's desire that the graduation ceremony reflect the honor, respect, and dignity of this important day. In keeping with these goals, we ask that you observe the following guidelines:

- Please silence all noise-making electronic devices during the ceremony.
- No noise-making devices, bull horns, glass bottles, or cans are allowed.
- We ask that you be respectful of graduates and other guests by holding applause and celebration until after all graduates have walked across the stage.
- Please keep young children with you at all times.
- Guests should remain seated until the ceremony comes to a close and the recessional has ended.
- Every graduate has worked hard to earn this day and having guests leave during the ceremony is disruptive.
- If we are in the gym and should the need arise that you must leave the ceremony, please exit through one of the rear doors.
- Personal photography or videography is allowed during Commencement but individuals are asked to not approach the stage at any time or block the aisle and to respect other audience members and not block their view. There are professional photographers working during this event to ensure that a quality image is captured of this special moment. In addition, please do not stand near any of the video equipment or on the cords as this could impact the live broadcast of this event.

The Mace

For centuries the mace has been used by universities all over the world as a ceremonial symbol of authority. During the opening of academic events such as commencement or convocation, the bearer of the mace leads the academic procession and places the mace before the gathered assembly, thus symbolizing the authority of the academy.

The Midway University mace is unique among maces because it stands upright from a base, while other maces are placed on their sides. The Midway mace is a solid wood piece and is made of woods indigenous to Kentucky. The top is crafted from cherry with the remainder carved from walnut. The Midway University coat of arms and the university seal are displayed on the lamp of knowledge at the top of the mace.

Nationally recognized wood turner Rude Osolnik created the Midway University mace. Mr. Osolnik was a recipient of the Governor's Award for Lifetime Achievement in the Arts and was the founder and lifetime member of the Kentucky Guild of Artisans and Craftsmen. His work is displayed in museums and universities across the country.

Lamp: Truth and Knowledge (Religious symbolism: *Let your light shine before all so that they see your good works and praise your Father in heaven. Matthew 5:16)*

Key: Knowledge and Guardianship

Oak Leaf: Strength – a symbol for the strength and durability of wisdom. It is often used as a symbol of continuous growth.

Star: Merit, guidance, heavenly wisdom – a guiding beacon. Likewise represents the Lord Jesus (Star of Bethlehem) who is our Center.

Scales: Justice – treat all with equality

The Mantling: That which is outside the seal but which surrounds or "mantles" the seal. This is not an official part of the seal, only a decoration for showing it. The overall coat of arms is a Shield symbolizing Faith and Protection.
