- Obtain employment authorization before beginning employment of any kind.

- Before the end of your grace period following the completion of your academic program, you must: depart the U.S., apply for OPT, request a transfer to another school you will attend or apply for a change of status.

Employment Opportunities

If you are interested in obtaining a job while you are attending Midway University, it is important that you talk to OMIA and/or the Office of Human Resources. If you decide to work without permission, Midway University will have to “report you through SEVIS and your record can be terminated.” As a result, you will have to leave the U.S. immediately.

ON-CAMPUS EMPLOYMENT

*International students are not eligible for jobs defined as Work-Study positions, as they are part of federally subsidized financial aid for U.S. citizens or permanent resident students.

OFF-CAMPUS EMPLOYMENT

- Off-campus employment is only possible after you have been a full-time student for one academic year (two semesters).
- Off-campus work authorizations always require written permission, either from OMIA or by filing a Form I-765, “Application for Employment Authorization” with United States Customs and Immigration Services (USCIS).
- Once USCIS has approved your employment, they will send you a Form I-765, “Employment Authorization Document” (EAD).
- There are two types of off-campus employment for F-1 status students: Optional Practical Training (OPT) and Curriculur Practical Training (CPT).

You can access the Form I-765 at studyinthestates.dhs.gov.

Social Security and Tax Information

PURPOSE OF A SOCIAL SECURITY NUMBER
The Social Security Number (SSN) is used by employers for tax purposes. The Social Security Administration (SSA) will not issue it for any other reason. Therefore, F-1 students are eligible to apply for a SSN only with authorized employment. If you work on campus or are authorized for CPT, you will be eligible for a SSN.⁵

To receive a SSN, you have to submit:

- I-20 Form

- Complete form SS-5 to apply for the number. Form SS-5 is available for download at http://www.irs.gov.

TAX INFORMATION
Tax laws in the U.S. are extremely complex. In the United States, your employer will take the taxes out of your check. Below is a list of terms you should know.

INDIVIDUAL TAXPAYER ID NUMBER (ITIN): The ITIN is a number issued by the Internal Revenue Service (IRS) for individuals who are not eligible for a SSN because they are not employed but need an ID number for other types of income, such as a scholarship or fellowship.⁶ The ITIN application is a W-7 form that can be found at http://irs.gov/pub/irs-pdf/fw7.pdf.

TAX RETURN FILING REQUIREMENT: There is no minimum dollar amount of income required for filing as a nonresident alien.⁷ All international students in F-1 are “nonresident aliens” for federal tax purposes. Filing is not required by nonresident alien students who have income ONLY from foreign sources.⁸ However, filing is required if you receive aid in the form of a scholarship from a source in the U.S.⁹

⁶ “Taxpayer Identification Numbers (TINs) for Foreign Students and Scholars.” (2014). IRS. Retrieved from -for-Foreign-Students-and-Scholars
⁸ Ibid 6.
⁹ Ibid 6.
Scholarships: A scholarship is aid to benefit a student at an educational institution.\textsuperscript{10}

W-4 Form: For those on Midway University’s payroll (including students receiving funds from Midway), a W-4 form must be completed before you are able to receive payment. You will receive it along with other employment forms from Midway University Human Resources. Nonresidents must complete the W-4 according to certain restrictions as described by the Internal Revenue Service link at http://www.irs.gov/pub/irs-pdf/n1392.pdf.

Tax Treaties: The United States has tax treaties (agreements) with a number of foreign countries that determine how the country’s residents will be taxed while in the U.S.\textsuperscript{11} (http://www.irs.gov/pub/irs-pdf/p901.pdf). A treaty may specify that residents of that country are exempt from all or part of U.S. income tax for certain types of income.\textsuperscript{12} If your country is one that carries a tax treaty with the U.S., you will want to complete the Form 8233 (http://www.irs.gov/pub/irs-pdf/f8233/pdf) with the University’s Human Resources Office before being put on Midway’s payroll.

Obtaining a Driver’s License

“All non U.S. citizens may drive in the U.S. on their valid foreign license and International Permit for up to one year from the date of admission into the U.S. provided their home country is part of the Geneva Compact.”\textsuperscript{13} Compact countries can be found at http://transportation.ky.gov.

All international students applying for a Kentucky driver’s license are required to take the written, vision and road tests. Only international students who have a valid out-of-state license or a valid license from a Geneva Compact country will not be required to hold a permit. “Drivers from non-Geneva Compact countries must obtain a Kentucky license within 30 days of establishing residency in Kentucky.” The Circuit Court Clerk’s office in Versailles issues all identification cards (ID) or driver’s licenses for Midway University international students.
