

CAEP 8 Annual Reporting Measures

Midway Teacher Education Department (TED)

Undergraduate and Graduate Programs Evidence of Effectiveness

1. **Impact of P-12 Learning and Development:** Refer to the standard 4 phase in plan for undergraduates ([N4.I](#))
2. **Indicators of Teacher Effectiveness:** Refer to the standard 4 phase in plan for undergraduates ([N4.I](#))
3. **Satisfaction of Employers and Employment Milestones:** Please refer to most recent K-TIP Principal and Resource Teacher data regarding effectiveness of TED ([N4.3.A](#)) ([N4.3.B](#)).
4. **Satisfaction of Completers:** K-TIP intern data can be accessed here ([N4.4.A](#)). See Standard 4 for K-TIP intern data analysis.

TED Initial Certification Completer Survey, Spring 2018, Fall 2018, Spring 2019, Fall 2019 ([N4.4.B](#)). See Standard 4 for TED completer survey analysis.

Note: Data for numbers three and four retrieved from [Kentucky EPSB New Teacher Survey \(Spring 2018\)](#).

5. **Graduation Rates:** Employment rates from 2015-2016 revealed 22 TED candidates graduated and 19 found employment in the education field (86%). In 2016-2017, 23 TED candidates graduated and 21 found employment in the education field (91%). In 2017-2018, 16 TED candidates graduated and 5 found employment in the education field (94%). In 2018-2019, 18 TED candidates graduated and 13 found employment in the education field (72%). See Teacher Education Department Statistics, 2015-2018 for more detailed analysis ([3.2.C](#)).
6. **Abilities of completers to meet licensing (certification) and any additional state requirements; Title II (Initial and Advanced Levels):** The Title II report provides information regarding preparing, training, and recruiting high quality teachers and principals. Information on Title II and the Midway TED program can be found here from 2016-2020. *Please download yearly reporting documents to view* ([N5.2](#)).

7. **Ability of completers to be hired in education positions for which they prepare (Initial and Advanced Levels):** For initial certification, 100% of completers have been eligible for placement in education positions. Masters candidates must be working in a school setting to be accepted in the program. In 2017-2019, 83% of our graduates were employed in education positions. The linked chart shows the number of students employed in districts across Kentucky ([N5.4.A](#)).
8. **Student loan default rates:** Analyses of student loan data in Midway University's Loan Record Detail Report (LRDR) revealed a 3-year student loan default rate for TED candidates of 5.88%, or 2 out of 34 candidates. This is lower than the university-wide default rate of 9.5% for the 2017 cohort. Analyses were based on the most recent information from the U.S. Department of Education, September 28, 2020 (Office of Institutional Research, Midway University, October, 2020).
